

REMARKS

Entry of this amendment is respectfully requested.

Claims 1 through 25 remain in this case. The second instance of each of 20 through 22, and claim 24, are renumbered as claims 22 through 25, respectively.

The undersigned noticed the error in numbering of the claims prior to filing this application. This correction is presented in order to avoid any shortfall in the fees paid, and so that examination of this application can begin without delay. No new matter is presented.

The Patent and Trademark Office is invited to call the undersigned if there are any questions regarding this application and the renumbering of the claims.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Rodney M. Anderson', with a long horizontal flourish extending to the right.
